Suggested coding based on our assessment of appropriate L-codes and our best approximation of functionally equivalent components Neither AOPA nor its Coding Subcommittee recommend or endorse products/devices of any manufacturer. The coding opinion expressed is based upon information submitted for review by the manufacturer and the clinical experience of the members of AOPAs Coding Subcommittee. Regardless of the source of coding information, the final responsibility for correct coding within all established laws, rules, standards, and practices is the sole responsibility of the facility submitting the claim. LTI, AOPA and its Coding Subcommittee accept no responsibility for, and will not be liable for, any actions relating to this coding information. The L-codes provided are essentially "suggestions" and you as a practitioner must decide which L-codes to use
